Considering that many fire departments still use SCBA's with old or even discontinued technologies; Areo-Fire has decided to offer their best price for the SCBA model M7 in exchange for your old SCBA.

In 2008, MSA discontinued production of parts for the following models: 401, Ultralite, Ultralite I and Ultralite II. As of January 1st 2010, Areo-Fire will no longer be able to repair these models due to missing parts.
