To whom it may concern,

I would like to acknowledge Areo-Feu Ltee.

We have been dealing with Mr. Jason Nagy for the purchase of our latest project still underway, a 2013 pumper- tanker.

I would like to commend Mr. Nagy for his professional approach, constant communication, his knowledge and his availability, also his readiness to respond to all of our questions and comments.

I would recommend Areo-Feu and Mr. Nagy without hesitation to handle all of your future projects.

If you have any questions, please feel free to contact me. Hoping everything is to your satisfaction,

Neil Lamb
